Section 1. *Be it enacted by the General Assembly of Maryland*, That for the several counties of this State, Howard district and the city of Baltimore, collectors of the taxes now imposed or to be imposed by law for the use of this State, shall not have been duly appointed and qualified, as by the present laws are directed, and it is hereby enacted, that the Governor, and he is hereby authorized and required, on the first day of May next ensuing the passage of this Act, or as soon thereafter as may conveniently be, to appoint a collector or collectors for each county, district or city, as the case may be, and that the collector or collectors so appointed shall give bond to be executed by him or them, with a surety or sureties to be approved by the Governor, or some Judge of the county, city or district court, for which the collector or collectors may be appointed, and to be recorded as required by the clerk of the court in which the same may be recorded, shall be by him forthwith transmitted to the Treasurer and the Governor of this State, and the collector or collectors so appointed shall have all the powers, authorities and privileges, which are now and lawfully enjoyed by collectors, appointed or authorized by any Act, or any of its supplements, to enforce the collection of any tax or taxes, or for any other purpose which are lawfully conferred upon them.

Section 2. *And be it enacted*, That in making the said appointments, the Governor shall not be restricted to any particular County, District or City, but shall be at liberty to appoint a collector or collectors for any county, district or city, from such County, District or City, or from any other part of this State.

Section 3. *And be it enacted*, That if the collector or collectors appointed by the Governor under and by virtue of this Act, shall fail or refuse to qualify by giving bond within thirty days after their appointment, it shall and lawfully be for the Governor to appoint others in their places, and as to a time to time after every interval of thirty days until duly qualified collectors shall be appointed throughout the State, and the same power shall and may be exercised by the Governor again, whenever and as often as the Levy Courts, Commissioners of the Tax and the Mayor and City Council of Baltimore shall neglect or be unable to procure duly qualified collectors by the first day of May in each and every year.

Section 4. *And be it enacted*, That whenever and as often as any collector of the taxes levied for the use of this State, shall find it necessary to proceed by way of distress or execution to collect taxes now due or to become due, he shall first leave with the party by whom the said taxes are to be paid or at his usual place of abode, a statement showing the aggregate amount of the property of every description, with which such person is assessed, and the amount of taxes due thereon, with a notice to the said statement annexed, that the taxes so due are paid within thirty days after the date of such statement, and if the party so notified, shall fail to pay the same, the collector or collectors may proceed by way of distress or execution to collect the same.

Section 5. *And be it enacted*, That if any person or persons, shall resist, attack, or menace with violence any collector or collectors, in the discharge of the duties required of them by this act, or the original act, or any of its supplements, or shall resist, attack, or menace with violence, any person or persons present and bidding, or proposing to bid at any sale of property, by any such collector, then, and in any such case, it shall and may be lawful for the collector, to

Section 11. *And be it enacted*, That in case any collector or collectors shall hereafter pay into the Treasury in cash, any sum or sums of money now due or hereafter to become due for taxes levied or to be levied for the use of this State, after the period limited by law for that purpose and before he shall have collected the same from the several persons charged therewith, then and in every such case the right of the delinquent taxpayer, to pay in coupons or certificates of interest due from this State, shall be taken away, and such delinquents shall be required to pay the several sums of money due from them for taxes, in cash, and shall be liable to be proceeded against in manner aforesaid, in case of refusal.

Section 12. *And whereas*, in any of the counties, the State taxes directed to be levied and collected for the years eighteen hundred and forty-one, eighteen hundred and forty-two, eighteen hundred and forty-three, eighteen hundred and forty-four, have not been levied and collected as required by law, then and in all such cases, the said taxes shall be levied and collected as follows, that is to say, the sum of twenty cents on every hundred dollars worth of assessable property, within such county with the commission allowed by law therefor, for the use of the collector, shall be levied and collected with the taxes for the year eighteen hundred and forty-five, and the sum of twenty-five cents on every hundred dollars worth of assessable property within such county, with the commission allowed by law therefor for the use of the collector, shall be levied and collected with the taxes for the year eighteen hundred and forty-six, and the sum of twenty-five cents on every hundred dollars worth of assessable property in such county, with the commission allowed by law therefor for the use of the collector, shall be levied and collected with the taxes for the year eighteen hundred and forty-seven, and the sum of twenty-five cents on every hundred dollars worth of assessable property in such county, with the commission allowed by law therefor for the use of the collector, shall be levied and collected with the taxes for the year eighteen hundred and forty-eight, the said several instalments of arrears, with interest to be paid into the Treasury, together with the State taxes, which shall or may be directed to be levied in and for the said years, eighteen hundred and forty-five, eighteen hundred and forty-six, eighteen hundred and forty-seven, and eighteen hundred and forty-eight.
